

Data protection

1. Privacy at a glance

General information

The use of our public website is possible without providing personal data.

The internet pages partly use so-called cookies. Cookies do not harm your computer and do not contain viruses. Cookies serve to make our offer more user-friendly, effective and secure. Cookies are small text files that are stored on your computer and stored by your browser. This cookie contains no personal data, only the session ID and the path, which we need to display the homepage correctly. The cookie becomes invalid after one hour of non-use of the website. The following notes give a simple overview of what happens to your personal information when you visit our website. Personal data is all data that personally identifies you. Detailed information on the subject of data protection can be found in our privacy policy listed under this text.

Who is responsible for the data collection on this website? The data processing on this website is carried out by the website operator. Its contact details can be found in the imprint of this website.

Data collection on our website contact form

When creating the contact request, personal data is requested. These are stored in a database. The data of the e-mail is automatically deleted in the system after 60 days. The e-mail will be additionally directed to us and processed there according to the task of the request.

These query fields Salutation, company, first name, name, street + no., Zip code, city, country, e-mail, telephone no. , Your request and the IP with date and time are saved. We need the query fields to answer your request correctly and to send you an offer if necessary. We need the IP to handle any attacks on the system through the contact form.

Data collection on our website registration form

When completing the registration form, personal data will be requested. These are stored in a database. If the neutral mail is not confirmed by the registration of the notifier, the data will be automatically deleted within 20 days.

These query fields Salutation, company, first name, name, street + no., Zip code, city, country, e-mail, telephone no. , Subdomain and IP with date and time are stored. We need the inquiry fields to carry out a proper business with the person registering. We need the IP to handle any attacks on the system through the registration form.

Data collection on our website in the shopping cart

When completing the registration form, personal data will be requested.

These query fields Salutation, company, first name, name, street + no., Zip code, city, country, e-mail, telephone no. , Your request and the IP with date and time are saved. We need the inquiry fields to carry out a proper business with the person registering. We need the IP to handle any attacks on the system through the registration form.

How do we collect your data?

Your data will be collected on the one hand, that you tell us. This may be e.g. to trade data that you enter in a contact form.

Other data is collected automatically when visiting the website through our IT systems. These are above all technical data (for example IP, Internet browser, operating system, date and time of the page call). The collection of this data is automatic as soon as you enter our website. The IP, date and time are stored in the database when entering technical data.

At technical data

What do we use your data for?

Part of the data is collected to ensure a flawless provision of the website. Other data can be used to analyze your user behavior.

What rights do you have regarding your data?

At any time you have the right to obtain free information about the origin, recipient and purpose of your stored personal data. You also have a right to request the correction, blocking or deletion of this data. For this purpose and for further questions about data protection, you can contact us at any time at the address given in the imprint. Furthermore, you have a right of appeal to the competent supervisory authority.

Analysis tools and third-party tools

When you visit our website, your surfing behavior can be statistically evaluated. This happens above all with the neutral cookie and with so-called analysis programs. The analysis of your surfing behavior is anonymous; the surfing behavior can not be traced back to you. You can object to this analysis or prevent it by not using certain tools. Detailed information can be found in the following privacy policy.

You can object to this analysis. We will inform you about the possibilities of objection in this privacy policy.

2. General information and mandatory information
data protection

The operators of these pages take the protection of your personal data very seriously. We treat your personal data confidentially and in accordance with the statutory data protection regulations and this privacy policy.

If you use this website, the personal data stated in 1. will be charged. Personal information is information that personally identifies you. This Privacy Policy explains what information we collect and what we use it for. It also explains how and for what purpose this happens.

Please note that data transmission over the Internet (for example, when communicating via e-mail) may have security vulnerabilities. A complete protection of the data from access by third parties is not possible.

Note to the responsible body

The responsible data processing unit on this website is:

Swiss A-Coin Trading
P.O. Box 7425
9000 Dubai
United Arab Emirates

Mail ceo@alpcoin.org

Responsible entity is the natural or legal person who, alone or in concert with others, decides on the purposes and means of processing personal data (such as names, e-mail addresses, etc.).

Revocation of your consent to data processing

Many data processing operations are only possible with your express consent. You can revoke an existing consent at any time. An informal message by e-mail to us is sufficient. The legality of the data processing carried out until the revocation remains unaffected by the revocation.

Right to data portability

You have the right to have data that we process on the basis of your consent or in fulfillment of a contract, in itself or to a third party in a standard, machine-readable format. If you require the direct transfer of data to another person in charge, this will only be done to the extent technically feasible.

SSL or TLS encryption

This site uses, for security reasons and to protect the transmission of confidential content, such as orders or requests that you send to us as a site operator, an SSL or TLS encryption. You can recognize an encrypted connection by changing the address line of the browser from "http: //" to "https: //" and the lock symbol in your browser line.

If SSL or TLS encryption is enabled, the data you submit to us can not be read by third parties.

Information, blocking, deletion

You have the right to free information on your stored personal data, their origin and recipient and the purpose of the data processing and, if necessary, a right to rectification, blocking or deletion of this data. For further information on personal data you can contact us at any time at the address given in the imprint.

If an operation according to commercial law we have generated an order or an invoice, then there is a retention period of ten years for the address. In the case when deleting the address placed in a deleted container and edited only on request by the appropriate authorities.

Contradiction against advertising mails

The use of published in the context of the imprint obligation contact information for sending unsolicited advertising and information materials is hereby rejected. The operators of the pages expressly reserve the right to take legal action in the event of the unsolicited sending of advertising information, for example through spam e-mails.

3. Data Protection Officer

A legally required data protection officer does not have to be named.

cookies

The cookies we use are so-called "session cookies". They are automatically deleted after your visit. Other cookies remain stored on your device until you delete them. These cookies allow us to recognize your browser on the next visit within an hour.

You can set your browser so that you are informed about the setting of cookies and allow cookies only in individual cases, the acceptance of cookies for certain cases or generally exclude and enable the automatic deletion of cookies when closing the browser. Disabling cookies may limit the functionality of this website.

Cookies that are required to carry out the electronic communication process or to provide certain functions that you wish to use (eg shopping cart function) are processed on the basis of Art. 6 para. 1 lit. f DSGVO saved. The website operator has a legitimate interest in the storage of cookies for the technically error-free and optimized provision of its services. These cookies also become invalid after one hour.

Insofar as other cookies (such as cookies for analyzing your surfing behavior) are stored, they will be treated separately in this privacy policy.

Server log files

The provider of the pages automatically collects and stores information in so-called server log files, which your browser automatically transmits to us. These are:

- Browser type and browser version
- used operating system
- Referrer URL

Host name of the accessing computer

Time of the server request

IP address

A merge of this data with other data sources will not be done.

The basis for data processing is Art. 6 para. 1 lit. b DSGVO, which allows the processing of data to fulfill a contract or pre-contractual measures.

contact form

If you send us inquiries via the contact form, your details from the inquiry form, including the contact details you provided there, will be stored in order to process the request and in case of follow-up questions. We will not share this information without your consent.

The processing of the data entered into the contact form is therefore exclusively based on your consent (Art. 6 (1) lit. DSGVO). You can revoke this consent at any time. An informal message by e-mail to us is sufficient. The legality of the data processing operations carried out until the revocation remains unaffected by the revocation.

The information you provide in the contact form will remain with us until you ask us to delete it, revoke your consent to storage or delete the purpose for data storage (for example, after your request has been processed). Mandatory statutory provisions - especially retention periods - remain unaffected. In the database of the application, the contact requests are automatically deleted after 60 days.

5. Analysis tools

We use a simple analysis tool about the visitors of the website. This tool is part of the software. The tool does not track any personally identifiable information and we can not identify your personal information. The tool evaluates the purchases and clicks neutral. Google Analytics or is not set up and activated.

6. Plugins and Tools

Google Web Fonts

This site uses so-called web fonts, provided by Google, for the uniform representation of fonts. When you call up a page, your browser loads the required web fonts into your browser cache to display texts and fonts correctly.

To do this, the browser you use must connect to Google's servers. As a result, Google learns that our website has been accessed via your IP address. The use of Google Web Fonts is in the interest of a consistent and attractive presentation of our online services. This constitutes a legitimate interest within the meaning of Art. 6 para. 1 lit. f DSGVO.

If your browser does not support web fonts, a default font will be used by your computer.

More information about Google Web Fonts can be found at

<https://developers.google.com/fonts/faq> and in Google's Privacy Policy:

<https://www.google.com/policies/privacy/>.
